Woolworths Ltd, Plumpton, NSW

Streetbuild are committed to providing superior, high quality projects from concept to completion.

Works Undertaken – Woolworths Plumpton

- Relocated and refreshed the Meat Prep Department so that it is more visible to the customer
- All works were undertaken without the store having to close
- Produce, Deli, and Seafood Departments have all received an up-market make-over.
- New vinyl concrete look floor tiling and new front end
- Complete refrigeration overhaul
- All new wall tiles
- Spray painted ceiling over produce prep area
- Reconfigured the front end so that the BWS store is now connected to Woolworths
- Feature timber wall cladding at front of BWS store and painting works to suit the new opening.

PROUDLY BUILDING SINCE 1998
