# Gin Gin Community Hub

Gin Gin, Bundaberg, QLD

Streetbuild are committed to providing superior, high quality projects from concept to completion.

## Works Undertaken – Gin Gin Community Hub

- Extension and refurbishment to the existing Community Centre;
- Includes brand new, state-of-the-art library;
- New offices and shared space for agencies and community groups to liaise;
- Brand new common reception area for all services with skylights to increase the natural light;
- New carpark with increased number of car spaces;
- Modern art gallery/display room;
- Upgraded amenities;
- Beautiful landscaping to compliment the natural looking finishes of the Hub;
- Public, outdoor space and cultural trail that provides information about the history of the town, landmarks, and enhanced community benefit for event and recreational use;
- A beautiful, inviting new space for the people of Gin Gin.

PROUDLY BUILDING SINCE 1998

**Quality, Consistency, Safety, Dedication**
